PARENT GUIDE

Welcome to the New York Islanders Reading Leaders

The New York Islanders Reading Leaders program motivates youth to read daily and helps make reading fun.

NO PURCHASE IS NECESSARY TO ENTER OR WIN. A PURCHASE WILL NOT INCREASE YOUR CHANCES OF WINNING.

- You as the parent/legal guardian must register using the online registration. You may get an email from your child's teacher asking you to sign up your child. If you found out about the program, you can sign up your child and also tell your child's teacher so the class and the school can win the big prize of a visit from Sparky, the New York Islanders mascot and Floorball equipment worth over a \$1,000.
- Just click the "Sign Up" button and follow the instructions to get started.
- After you register, you will receive an email to "activate" your account. Click on the "Activate Now" button to activate your account.
- An email will come to you to tell us how much your child currently reads.
- Once activated, you can use your newly created username and password to log into your dashboard. Register your child in your dashboard by clicking on the "Add a child" button and filling in the required information.
- Expect a confirmation email with your child's newly created username and login. Give your child their username and password so they can log in and add to their reading log every day.
- You can also add to your child's log each day from your dashboard or have fun doing it together! From the dashboard, you and/or your child can open their log and click on "Start a reading log" and then enter:

The name of the book & the number of minutes read

- Click "save" to save the information into their log. Check to see it was saved. **RECORD DAILY!!!!**
- On the last day of each month (April - August), all logs will be automatically entered into a sweepstakes for New York Islanders gift bag if your child has logged at least **400 minutes** of reading that month.
